

**CITY OF LODI  
COUNCIL COMMUNICATION**

AGENDA TITLE: Set Public Hearing for April **16,2008**, to Consider Adopting Resolution Adjusting CPI-Based Water and Wastewater Rates

MEETING DATE: April **2,2008**

PREPARED BY: Public Works Director

RECOMMENDED ACTION: Set a public hearing for April 16, 2008, to consider adopting a resolution adjusting CPI-based water and wastewater rates.

BACKGROUND INFORMATION: In the spring of 2004, following City-wide notification, the Council approved rate increases for water and wastewater services. The public notification and resolution passed at that time included provisions for future rate adjustments based on the Consumer Price Index (CPI).

Resolution No. 2004-77 states that the index to be used shall be the San Francisco-Oakland-San Jose CPI for all items (unadjusted). The City has been using the December index for the past few years. The price index for December 2006 was 210.4 and 218.485 for December 2007, which translates to an increase of 3.84%. The rate increase (as shown on the attached tables) is on all water and wastewater service charges. The increase amount for a three-bedroom home is \$1.49 for water and \$1.03 for wastewater. Note this adjustment applies to the total water rate. Previous adjustments did not include the PCE/TCE charge since when it was initially adopted as a phased-in rate increase, it included an allowance for inflation. The effective date of the increase is July 1, 2008.

FISCAL IMPACT: There would be an increase in the annual water and wastewater fund revenue, which is needed to help keep up with cost of service increases and new mandated costs.

FUNDING AVAILABLE: Not applicable.
